

SPECIFICATION SHEET

Richfield® Series Framed Recessed Wall Niche

Dimensions: See dimensions chart

Materials: Solid pine

Mounting: Recessed versions can be mounted with construction adhesive or screwed to the studs on either side.

Finish: Multiple finishes available

Features:

- ✓ Solid wood construction – screwed together to last a lifetime, including in a humid bathroom environment!
- ✓ Handcrafted right here in the USA, in sunny Sarasota, Florida!
- ✓ Easy installation
- ✓ Adjustable glass shelves use our own patented shelf support
- ✓ Special included shelf retainers slip over the shelf supports and prevent the shelves from moving or coming out.

NOTE: If you already have an opening in your wall from a previous “recessed” cabinets, be sure to measure the opening. The rough opening needed for each model is shown in the dimensions chart on the last page.

Side View of Wall Niche

FRAMED 3.5" deep models (4.25" overall depth)

All models have a frame which is $\frac{3}{4}$ " larger all the way around than the cabinet box itself which is there to cover the edges of your rough opening in the drywall.

OVERALL DEPTH 4.25"

Back of wall opening

These models can be secured either using construction adhesive on the back side of the frame overhang, or by screwing to the studs on both sides. Either way works equally well and will support much more weight than you could ever put in the niche.
